Distance Learning Profile

Dear Principal,

Sharjah Private Education Authority would like to thank you for engaging with our team during the recent review visit at your school on 19/05/2020.

This Distance Learning Review Visit (DLRV) was performed by two reviewers via online platforms. The review was conducted using the UAE Distance Learning Evaluation Tool - Stage 1 that consists of three (3) Zones, thirteen (13) themes and thirty-nine (39) descriptors.

The purpose of the visit was to review the school's distance learning provision, implementation of distance learning solutions and to ensure the continuation of teaching and learning during the exceptional circumstances due to COVID-19 pandemic. The review seeks to highlight the school's response as it relates to Phase 1 of the implementation of distance learning with the objective of supporting schools in the journey to a more sustainable and flexible learning option phase. The review focused on the students' learning and wellbeing, teaching and monitoring of students' learning, as well as leading and managing students' learning.

The overall schools' distance learning judgement during Phase 1 of the implementation of distance learning was arrived at as specified below:

Judgement	Definition
Developed	At least 9 Themes are Developed & none are Not Developed
Partially Developed	At least 10 Themes are Developed or Partially Developed & no more than 3 Themes are Not Developed
Not Developed	4 or more Themes are Not Developed

During the online visit, reviewers engaged in a range of activities, including discussions with senior and middle leaders, review of documents and samples of students' work, observation of virtual lessons and analysis of feedback from stakeholders.

Summary of Findings

The school's distance learning judgement during Phase 1 of the implementation of Distance Learning is: **Developed.**

The table below provides an overview of the status of development of each Theme under each Zone. This is represented by three (3) colors, green for **Developed**, amber for **Partially Developed** and red for **Not Developed**.

	Zone A Students' distance learning and wellbeing	Zone B Teaching and monitoring students' learning	Zone C Leading and managing students' learning
Themes	Attendance and participation	Planning and delivery	Agility
	Safeguarding	Sharing intended learning outcomes	Contingency
	Learning opportunities	Distance learning provision	Communication and engagement
	Equity of access	Monitoring and assessing learning	Resources management
	Wellbeing		

Positive Features

1. Students have a wide variety of appropriate learning opportunities to ensure continuity and momentum in their learning. They have the resources and technology which enable them to manage their workload effectively.
2. Teachers use a range of assessment approaches and this helps students understand their progress. Teachers allow students flexibility to manage their time and this helps students to complete the work they are given and takes account of students' personal situations. Teachers ensure that students have access to the essential content in key subjects. As a result, students' further learning is supported well.
3. The school reviews its planning regularly and modifies it to meet the various scenarios of distance learning provision, including over the longer term. Resources are managed well to support teaching and learning.

Areas for Development

1. The communication of the school's processes and protocols to address all safeguarding concerns.
2. The development and facilitation of parent support networks.

Next Steps

The school needs to prepare and submit a distance learning improvement plan to SPEA within three (3) weeks of receiving the DLRV report. The improvement plan should address the following:

- a. Recommendations and improvement areas identified in the DLRV report.
- b. Areas identified by the school as requiring improvement.
- c. Priorities arising from the school's unique characteristics.
