Distance Learning Profile

Dear Principal,

Sharjah Private Education Authority would like to thank you for engaging with our team during the recent review visit at your school on 02/06/2020.

This Distance Learning Review Visit (DLRV) was performed by two reviewers via online platforms. The review was conducted using the UAE Distance Learning Evaluation Tool - Stage 1 that consists of three (3) Zones, thirteen (13) themes and thirty-nine (39) descriptors.

The purpose of the visit was to review the school's distance learning provision, implementation of distance learning solutions and to ensure the continuation of teaching and learning during the exceptional circumstances due to COVID-19 pandemic. The review seeks to highlight the school's response as it relates to Phase 1 of the implementation of distance learning with the objective of supporting schools in the journey to a more sustainable and flexible learning option phase. The review focused on the students' learning and wellbeing, teaching and monitoring of students' learning, as well as leading and managing students' learning.

The overall schools' distance learning judgement during Phase 1 of the implementation of distance learning was arrived at as specified below:

Judgement	Definition
Developed	At least 9 Themes are Developed & none are Not Developed
Partially Developed	At least 10 Themes are Developed or Partially Developed & no more than 3 Themes are Not Developed
Not Developed	4 or more Themes are Not Developed

During the online visit, reviewers engaged in a range of activities, including discussions with senior and middle leaders, review of documents and samples of students' work, observation of virtual lessons and analysis of feedback from stakeholders.

Summary of Findings

The school's distance learning judgement during Phase 1 of the implementation of Distance Learning is: **Developed.**

The table below provides an overview of the status of development of each Theme under each Zone. This is represented by three (3) colors, green for **Developed**, amber for **Partially Developed** and red for **Not Developed**.

	Zone A Students' distance learning and wellbeing	Zone B Teaching and monitoring students' learning	Zone C Leading and managing students' learning
Themes	Attendance and participation	Planning and delivery	Agility
	Safeguarding	Sharing intended learning outcomes	Contingency
	Learning opportunities	Distance learning provision	Communication and engagement
	Equity of access	Monitoring and assessing learning	Resources management
	Wellbeing		

The DLRV shows that the school has achieved “Developed” in all themes of this review and indicates that the school is successful on its journey towards a more sustainable and flexible learning option phase.

Positive Features

1. Students' attendance and participation in distance learning are regular and enthusiastic and the school effectively supports their access to distance learning provision. Students have regular opportunities to connect with their peers and can manage their work efficiently. Students are supported well by the school's wellbeing team and know who to contact if they have any concerns.
2. Teachers plan effectively for students' continuity and momentum of learning by ensuring that they have access to the necessary resources to enable them to complete assignments. They help students manage their time efficiently by allowing flexibility with assignment deadlines through the integration of projects across subject areas.
3. The school provides a range of flexible communications opportunities for parents and facilitates parent support networks. It ensures that students can access essential technology and that leaders regularly review distance learning provision.

Areas for Development

1. Sharing of best practice in the use of different platforms and methodologies consistently across the school.
2. Focused professional development to ensure that all teachers have the necessary training and technology to facilitate a balance of learning methods appropriate to distance learning.

Recommendations and Next Steps

1. Continuing to progress existing high-quality practices in Phase 1 implementation to become embedded practices in the future phases.
2. Developing existing innovative ideas by enhancing distance learning provision, e.g. student collaboration and blended learning approaches.
3. The school needs to prepare and submit a distance learning improvement plan to SPEA within three (3) weeks of receiving the DLRV report. The improvement plan should address the following:
 - a. Recommendations and improvement areas identified in the DLRV report.
 - b. Areas identified by the school as requiring improvement.
 - c. Priorities arising from the school's unique characteristics.
